RETAINED FOR 2 YEARS
THIS IS NOT A PATENT APPLICATION
PTO-1852 (8/88)

DESCRIPTION OF DRAWING VIEWS

Drawing #1 is the front view of the casting after complete machining.

Drawing #2 is the side view if casting was cut in half.

Drawing #3 is the back view of casting after finish machining.

CLAIM

Inventor: I, Douglas S Huber, claim that I invented and made the design by myself.
I am the first to invent this axle cover made from the pattern that I designed and made.

ABSTRACT OF DISCLOSURE

This is a new invention. The wheel cover casting is bolted to the outside of the axle to give a very pleasant look to the axle and to the overall appearance of the truck.
